Monthly Commentary and Update

November 2017

Interview with Bonner & Partners

This month's update is my recent interview with Mr. Chris Lowe of Bonner and Partners; Chris is Editor-at-Large for the firm's bi-weekly report entitled "Inner Circle"; please see the additional attachment to this e-mail for the interview.

Bonner and Partners is focused on a target audience of Family Offices and High Net Worth Individuals. The company is a part of the family of financial publishing companies known as The Agora. Founded by Bill Bonner in 1978, The Agora enjoys over a million readers worldwide. We were honored to be interviewed by this globally-concerned company and grateful for their permission to share my exchange with Chris with our clients, prospects and friends.

I look forward to your questions and comments concerning any portion of the interview.

Alps and Liechtenstein Precious Metals

Alps Precious Metals Group via our partnership with Liechtenstein Precious Metals Group is dedicated to providing the global standard for the finest and most secure storage and trading of Physical Precious Metals. Our Vault is constructed to the highest security standard in the world ("Class 10") and, via our relationship with Lloyd's of London, insures each client's specie at 100% of its market value. Our trading desk provides liquidity on each and every business day with as little as next day settlement. All of these benefits are enjoyed while simultaneously being freed from the status quo global financial system. Contact us (www.alpspmg.com) to discuss how APM/LPM can become a trusted partner in the creation, protection and utilization of the hard money portion of your portfolio.
